KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 22, 2026

Mr. Christopher T. Skinner
Schwartz Page & Harding
Counsel for Grand Lakes Municipal Utility District No. 2
Sent via e-mail.

Dear Mr. Skinner:

The Office of the Attorney General (the "OAG") received a complaint from alleging the Grand Lakes Municipal Utility District No. 2 (the "district") has failed to respond appropriately to a request for information under the Public Information Act (the "Act"), chapter 552 of the Government Code. This complaint was assigned ID No. OR-25-057172-IC.

The district has submitted to this office the enclosed certification that all existing information responsive to the request has been made available. Under the Act, the enforcement authority of the Office of the Attorney General does not include on-site inspections of records held by another governmental office. Accordingly, we accept the district's statement it has released the responsive information.

However, a governmental body is required to provide responsive information to a requestor promptly. *See* Gov't Code § 552.221(a), (b). If a governmental body cannot provide the responsive information within ten business days, it is required to certify the date and hour the information will be available. *See id.* § 552.221(d). Accordingly, in this instance, we find the district has failed to comply with the requirements set forth by section 552.221 of the Government Code in releasing the information at issue. Therefore, in producing the information, the district may not assess any costs to the requestor. *See* Gov't Code § 552.328(c)(2). To the extent the district has already collected any costs related to this request, the district must issue a refund to the requestor. Further, the district's public information officer or the officer's designee is required to complete open records training at the following link, and provide this office with a certificate of completion, not later than six months after the date of this letter: https://www.texasattorneygeneral.gov/open-government/governmental-bodies/pia-and-oma-training-resources/public-information-act-training. *See id.* § 552.328(c)(1).

Our file on this matter is now closed. Should you have any questions regarding this letter, please call the Open Government Hotline at (877) 673-6839.

Sincerely,

Joseph Hoggatt
